PROUDLY MADE IN TRANSYLVANIA

## [The Collection]

After the remarkable success we had with our first collection of wallpapers, we took a big challenge to create the second one. Keeping the eclectic mood in subconscious, we designed II (eleven) new stories expressing the free spirit of MINDTHEGAP. You will discover odes dedicated to beautiful Pompeii and the Antique Egypt, a lot of deep blue drawings and fabric textures, but also a modern collection showing reinvented patterns from the good old days of Art Deco. And if you are

still unsatisfied, the wanderlust story will take you in stunning places around the World with fabulous designs from Hindustan, Morocco, Italy and Africa. We love our wallpapers! And we invite you to join our world and discover the new wallpaper experience!

## [About the wallpaper]

MINDTHEGAP wallpapers are made in Transylvania. We use a premium non-woven quality substrate which is surface printed with eco-friendly inks. All our wallpapers come in

rolls of 3mt length with 0,52cm width. We sell the wallpaper packed in a black box of 3 rolls. With one box of MINDTHEGAP wallpaper you can cover up to 4.65 sqm. For some designs, the wallpaper is made of 3 different rolls to give maximum repeat variation.

## [The Environment]

We use only FSC Grade wallpaper substrate produced from sustainable managed forest. The inks are odorless, with a very high durability being certified to comply with the Nordic Swan Environmental Standard.

THE INDIGO STORY

# dutchblauw

ANYTHING GOES WITH BLUE. ESPECIALLY WITH THOSE DEEP INDIGO HUES WHICH ARE VERY MOODY AND WORK BRILLIANT IN ANY INTERIOR STYLE. THIS TIME WE WERE INSPIRED BY THE DUTCH BLUE BECAUSE OF ITS ROOTS IN MANY ART MASTERPIECES CREATED IN TIME BY THE PEOPLE OF HOLLAND. AND ALSO BY THEIR CREATIVITY AND FREE SPIRIT. OUR COLLECTION COMPRISES DIFFERENT DESIGNS MADE WITH INDIGO HUES MIXED WITH NATURAL TEXTURE, A MELANGE THAT CREATES SOOTHING MOODS.
